

Evidencias de creación de instancia de lightsail

José Esteban Pereira Luciano

The image is a screenshot of a computer screen displaying the AWS Management Console. The top half of the screen shows the 'Account Settings' page, which includes sections for Account Information, Contact Information, Payment Currency Preference, and Alternate Contacts. The bottom half of the screen shows the AWS Lightsail console, which displays a 'Good evening!' message and a list of instances. A single instance named 'WordPress-1' is shown, with details such as 512 MB RAM, 1 vCPU, 20 GB SSD, and a public IP address of 3.130.113.197. The console also includes a 'Create instance' button and a search bar.

Account Settings

Account ID: 267225816773
Seller: AWS Inc.
Account Name: alfredobello
Password: *****

Contact Information

Please note that updating your contact information on this page will not update the information displayed on your PDF invoices. If you wish to update the billing address information associated with your invoice, please edit it through the Payment Methods page, located [here](#).
